Morning

A guided walking tour is a great way to start the day and see all the highlights of the city. A more comfortable alternative: The Belvedere Express - discover Weimar in an air-conditioned bus with a guide in your own language. For lunch, try some authentic Thuringian cuisine at Gasthaus zum Goethebrunnen, Sächsischer Hof or Jagemanns.

Day

After a good lunch, it's time to explore the Bauhaus: As the **birthplace of the Bauhaus**, Weimar offers many modernist attractions. A Bauhaus walk or a tour of the **Bauhaus Museum** is an essential part of your visit to Weimar. Before you start, visit the **Museum Neues Weimar**, where the development of modernism up to the Bauhaus is impressively explained.

Evening

After refreshing yourself at the hotel, perhaps you would like to discuss the day's experiences over dinner in a unique atmosphere. Would you like to try our regional cuisine with a modern twist? Book a table at the oldest restaurant in town: Zum Schwarzen Bären/The Black Bear. The restaurant is over 450 years old. The cuisine consists of homemade Thuringian delicacies using regional ingredients: Handmade dumplings and roulades or Brätl. The rest of menu varies according to the season. Afterwards, take a leisurely stroll through the town and enjoy the completely different impression of the streets and squares at night.
