### *100 years of the Weimar Republic*

An exciting chapter of German history was written almost 100 years ago in Weimar: With the ratification of the constitution at the German National Theatre the first democratic republic was born within German borders and was named after Weimar.

### *Highlights*

Barely a week goes by without some festival or exciting event taking place in Weimar. Classical concerts, plays on stage and in the open air and many exhibitions at Weimar's museums. Even more convivial are our markets and fair.

### *Museums*

The historic houses of Goethe or Schiller, Liszt or Nietzsche, the Bauhaus and the exhibitions reflect the Weimar Classics and the Modernism.
