

A TOWN HALL FOR CHILDREN

The town hall is a big advent calendar, every day open a child with Santa Claus a window. And around the Goethe and Schiller monument everybody is invited to ice skating activities. Apart from lapping up the cosy atmosphere, visitors can look forward to Christmas wares offered for sale by craftsmen and traders. Traditional pyramids and nutcrackers from the Erzgebirge Mountains, glassware from Lauscha, wooden toys from Thuringia: all this and many other surprises are waiting to be discovered.
