A pleasure for the whole family

Ice skating in the snow: A 30 x 15 meter skating rink in the heart of the old town of Weimar, framed by a unique historical backdrop, allows all Weimarers and guests of the city the long awaited winter ice skating. From 22 November 2016 to 6 January 2017, the ice rink on the Theaterplatz will be open to all visitors.

If you want, you can turn pirouettes here - a little less sporty meanwhile devote themselves to the pleasure of the delicious mulled wine.
