

Four possibilities for watching a film -very modern in 3D-optics or in one of the independent cinemas.

## CINEMAS

### FILMWELT IM ATRIUM

[➞ show details](#)

It is the biggest screen in Thuringia and shows fascinating films in 3D optics. A very modern and digital projection technique offers the perfect 3D illusion. Just put on the glasses and turn into a different world.

### LICHTHAUS

[➞ show details](#)

An independent cinema in a former tram depot: unusual films in an unusual atmosphere. In summer also open air.

### CINEMA AT THE MON AMI

[➞ show details](#)

The communal cinema has a daily choice of ambitious films, films for children, original film versions, thematic film festivals and much more.

### CINESTAR

[➞ show details](#)

box office - opening hours: daily from 2pm
