

PARK ON THE RIVER ILM

The 48-hectare landscaped park on the edge of Weimar's old town is part of a kilometre-long stretch of green along the Ilm. It was laid between 1778 and 1828 and features both sentimental, classical and post-classical/romantic styles. Important characteristics of the park include the numerous lines of sight linking features such as ↗ Goethe's garden house, the ↗ Roman House and the bark house within the park; these also connect them with the surrounding countryside.
