

Please note: The following overview also shows buildings with restricted access. Some are private homes which were once inhabited by Bauhaus artists.

Main building of the Bauhaus-Universität

Designed by Henry van de Velde, this is one of the most important art school buildings from the turn of the century and is the place where the Bauhaus was founded in 1919. Of course, the terms 'Weimar' and 'Bauhaus' went on to become milestones in the history of modern architecture. The building is...

Reithaus at the Park

The Bauhaus used some rooms here from 1923 to 1925 for the preparatory course. These courses belonged to the basic pedagogical institutions of the Bauhaus school. The Reithaus was built in 1715 as a Baroque building and adapted in 1803 to the Schloss. Today it belongs to the European youth education and meeting place.
