

Weimar's surroundings were always attractive for exploring - Ilmtal and the neighboring villages can be reached easily by foot.

## HIKING

### GOETHE WALKING TRAIL

[→ show details](#)

The 28-kilometre walking trail runs between Weimar and Kochberg Castle. Goethe would often hurry there to visit his confidante Charlotte von Stein. Today it is a well-signposted trail through richly contrasting scenery.

### LUTHER PATH

[→ show details](#)

Do you like hiking or make a pilgrimage? We suggest the Lutherweg - a 900km long hiking trail on the footsteps of Martin Luther, along historic sites of the Reformation. He stayed in Weimar several times.

### THREE TOWER TRAIL

[→ show details](#)

Circular walk - This premium trail, certified by the German Ramblers' Association, follows a circular route of 26 kilometres through the Middle Ilm Valley. Walkers can also board the Ilm Valley Railway at various points along the way and disembark again when they wish.

### KNEIPP TRAIL

[→ show details](#)

South of Weimar, this circular trail in Bad Berka – named after the naturopath and hydrotherapist Sebastian Kneipp – offers hydrotherapy and exercise, plus information and activities based on Kneipp's philosophy. The trail starts at the hydrotherapy facility next to the Goethe well in Bad Berka. Two...
