

WEIMAR FOR KIDS

Depending on the age of the children you can plan your individual Family-City-Trip. We recommend a very special book "Weimar for kids" (Download in German only).

Museums for kids

These museums are recommended for children, because they are enjoyable or offer a special presentation for their young visitors.

Guide for kids

There is a special guide for kids with many nice tips on the Tourist Information.

Kinds with the classics

The Klassik Stiftung Foundation offers many programs, tours and special workshops for kids.

Kids are welcome

There are many events for the kids and families in the Weimar's event calendar.
