

## CITY TOUR BY CITY-TOUR-WEIMAR

Over 30 stations in Weimar in a modern panorama convertible bus: The city tour line city-tour-weimar - is now available as a convertible when the weather is fine. It operates according to a fixed timetable so that you can plan your Weimar programme accordingly. You won't miss a thing in the modern panorama convertible bus. This new and chic custom bus is especially suitable for photo and outdoor fans. Even if the bus runs closed, the all-round glazing guarantees a clear view of all the sights.

The modern city-tour-weimar bus travels up to four times a day. The tour is moderated by Anke & Stefan from the local radio station Lotte. The city-tour runs over 30 stations from Monday to Friday and lasts about 1:10 hrs. The northern part of the former old town is also served.
