

## CONGRESS CENTER WEIMARHALLE

### *Meetings in the park*

The congress centrum neue weimarhalle, not only one of the youngest congress centre in Germany, but also one of the most beautiful and modern conference centres in the country. The building is located on the edge of an urban park, which enables a harmonius integration of nature and all spaces of the building.

Besides the large hall, which seats 1.200, there are five conference rooms for up to 400, which can be combined with each other to fit most any required capacity in between. In addition to the small hall, with permanent seating for 240, there are also several multifunctional spaces and break-out rooms.

Even though the congress centrum neue weimarhalle was precisely designed for this purpose with all the functional implications, it also boasts extremely good acoustics making it a natural choice as a venue for exhibits, trade fairs, all kinds of company events, gala evenings and banquet dinners. As it is extremely variable, the seminar and congress centre meets all the demands necessary and it is possible for use of large concerts as well as small seminars. Thanks to the furnishings and the location of the hall, customers can be offered completely new concepts for the planning of seminars and congresses.
